## ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed June 12, 2007, which response is being made on or before July 12, 2007, and for which no extension of time fee is due.

**With respect to the species requirements, Applicants select:**

**2. A method of treating non-insulin dependent diabetes mellitus;**

**Claims readable on the elected species are: 1-28, 46-67, 71-74, 88, 89, 97, 98, 99, 101, 163 and 167.**

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Group.

Respectfully submitted,

Martin D. Magruder

**Martin D. Moynihan**
